PORTOS E NAVIOS MAGAZINE EDITORIAL
CALENDAR FOR 2021.

ANNUAL REPORT

With 63 years of experience, Portos e Navios is the reference publication in the segments of shipbuilding and offshore industries, merchant marine, ports and transport logistics. In 2021 there will be seven editions, always bringing reports of high technical level, analysis and market trends of the Brazilian and international maritime industry.

The magazine will have special distribution in the most important events of the segments in which it operates, further reinforcing its vocation to be an essential tool in the decision making of its advertisers. The circulation totals 5.8 thousand copies distributed through direct mail.
