

Annual Report

ALLOW US TO BRING TO YOUR ATTENTION PORTOS E NAVIOS MAGAZINE EDITORIAL CALENDAR FOR 2022

Consolidated in its new bimonthly format, the printed version of Portos e Navios magazine will be present at all major events in the ports, navigation and shipbuilding and offshore industries in 2022. Its annual agenda includes high-level technical sector reports, analysis of market and trends of its different niches.

In the market for 64 years, Portos e Navios is a reference in the Brazilian maritime and port market and an essential decision-making tool for its highly qualified target audience. Distributed by direct mail, the circulation currently totals 5,800 copies.
