

ANNUAL REPORT

Allow us to bring to your attention Portos e Navios magazine editorial calendar for 2023.

Consolidated in its new bimonthly format, the printed version of Portos e Navios magazine will be present at all major events in the ports, navigation and shipbuilding and offshore industries in 2023. Its annual agenda includes high-level technical sector reports, analysis of market and trends of its different niches.

In the market for 65 years, Portos e Navios is a reference in the Brazilian maritime and port market and an essential decision-making tool for its highly qualified target audience. Distributed by direct mail, the circulation currently totals 4,800 copies.
